Dear Santa Claus Runners,

The 9th Annual Utah Santa Run is going to be great. This race brings in runners from all across the USA because it brings in family from all over the country. This race has many first time runners as well as long term racers. It also brings in some that only run the Utah Santa Run either that it is a tradition for them or that they love milk and cookies.

The donations we are giving for Utah Santa Run will go to support Ogden Christmas Village.

Spectators – We encourage spectators on the race. The best location for spectating is at the Start and finish which are the same location at Gardner Village near the Water Tower. The rest of the course is a paved trail with not a lot of room to cheer without getting in the way. Also the start and finish has the most fun and excitement. Going on the trail could put you or your spectator in danger.

The race will be timed via timing chips with a chip start and finish. We ask that all runners cross the starting line in an orderly manner because your time will not start until you cross. As you finish cross the finish line for around 30 seconds so it will set your finish. If you stay at the finish line and do not set it by walking away your chip will continue to read until you clear.

This race weather forecast for this year is actually quite warm. At race start the temp is to be around 53-57 degrees with 0% precipitation. While wearing Santa Suits these conditions will almost be warm on race day.

Packet Pickup is two optional days. Friday from 4PM to 7PM at the Water Tower at Gardner Village or Race day from 1:30PM to 3:00PM at the Water Tower. This is both the start and finish of the race and the best place for spectators.

We hope you have a Jolly Race!

Ho Ho Ho,

Santa Claus – Race Director On Hill Events (Joe Coles)

Milk and Cookie Stops or Aid Stations

There are around 2 aid stations on this course with Santa’s Helpers out there to support them. Because the course is out and back you will have plenty of water, Milk and Cookies to aid your run.

Course Map – Gardner Village Santa Run

Start at Gardner Village at the Water Tower then head South on the Jordan River Parkway Trail System. You will head over the first bridge but go straight on the second and follow the trail East to the turn around point. Aid station will be at the turn around and head back the same direction you came. This course is out and back.

Parking

There is plenty of parking at Gardner Village this time of year and we ask that you park on the West or North(Back) parking lot. Please use the West entrance to park.
